ESTABLISHING IN THE BUREAU OF BUILDING INSPECTION A VOLUNTARY
INFORMATIONAL INSPECTION PROGRAM FOR A CITYWIDE SUBSIDIZED LOAN
PROGRAM FOR LOW AND MODERATE INCOME OWNER OCCUPANTS OF SINGLE FAMILY
DWELLINGS.

Be it ordained by the people of the City and County of San Francisco
Section 1. A voluntary informational inspection program for citywide
subsidized loan program is hereby established to be performed by the
Bureau of Building Inspection pursuant to Resolution No. 888-78,
which authorized development of specific voluntary informational
inspection programs subject to the Board of Supervisor's approval.

Section 2. The voluntary inspection program for a citywide sub-
sidized loan program is applicable to single dwellings only and shall
only be made when requested by a loan applicant for approval of the
loan by the Security Pacific Bank acting on behalf of the California
Housing Finance Agency in order to provide information to the
property owner concerning deficiencies under the San Francisco
Housing Code. Since the inspection shall be made solely for the
purpose of examining the dwelling for eligibility and approval of a
loan under a citywide subsidized loan program, the report of these
inspections shall not be available to the public. Code violations
discovered by such inspections shall not result in enforcement to
correct such violations unless complaint is made through an inde-
pendent source or violations are cited by a city building inspector
during the normal course of inspection and observation, and a
subsequent inspection is conducted for purposes other than approval
of application for a citywide subsidized loan for home improvement.

BOARD OF SUPERVISORS

Section 3. The costs of such inspections will be paid from funds
allocated to the Bureau of Building Inspection from the Community
Development Block Grant budget for a trial period of six months
after which time a recommended inspection fee will be presented
to this Board for approval.

Section 4. This ordinance shall become effective for loan
applications received 30 days after approval of this ordinance.
